

**SWISS NEEDLE CAST COOPERATIVE**  
**2015 ANNUAL MEETING AND SCIENCE REVIEW**  
**DECEMBER 1, 2015, TUESDAY, RICHARDSON HALL RM 107**  
**COLLEGE OF FORESTRY, OREGON STATE UNIVERSITY**

**SCIENCE REVIEW AGENDA:**

- 8:00-8:15.** Introductions, social coffee, snacks.
- 8:15-8:30.** David Shaw, OSU. Presentation made to American Phytopathological Society meeting in August 2015. Ecology of Swiss Needle Cast in Western Oregon Coastal Forests.
- 830-845.** Alan Kanaskie/Danny Norlander, ODF. Swiss needle cast aerial survey results Oregon, and other activities.
- 845-900** Amy Ramsey/Dan Omdal/Michele Boderick WA DNR. Swiss needle cast aerial survey results Washington, and other activities.
- 900-915.** Gabriela Ritokova. SNCC Research and Monitoring Plot Network, and other activities.

**915-930.** Jeff Hatten, OSU. Future soils analysis from the research and monitoring plot network and some preliminary analysis.

**930-945.** Maguire/Mainwaring, OSU, CIPS collaborations, taper study, and results of recent SNC analysis.

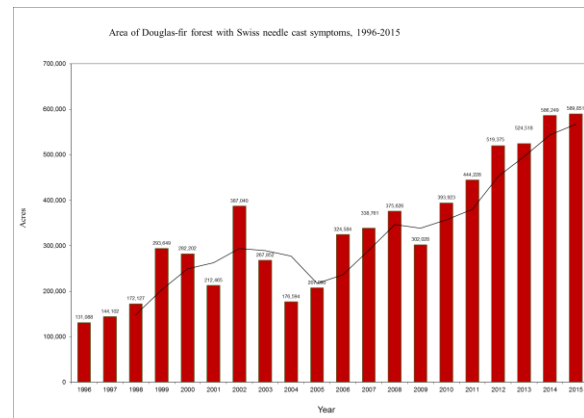

**945-1000.** DISCUSSION/  
BREAK/Coffee (Poster Viewing)

**1000-1015.** Henry Lee, EPA. New analysis of SNC in dendrochronological record.

**1015-1030.** Peter Beedlow and Ron Waschmann, EPA/Sky Lan, OSU. The EPA long-term forest plots in mature and old-growth Douglas-fir: collaborations with SNCC, Sky Lan, and interesting forest ecology findings.

**1030-1045.** Nick Wilhelmi, OSU. SNC and Rhabdocline in a common garden study.

**1045-1100.** Patrick Bennett/Jeff Stone, OSU. Research on patterns and pathogenicity of the two SNC fungal lineages.

**1100-1150.**

**FEATURED SPEAKER: RODRIGO MORALES, Forest Pathologist, Universidad Austral de Chile, Valdivia, Chile.**

**Swiss Needle Cast Research in Chilean Douglas-fir Forests.**

**Move to RH 115.**

**1200-110: LUNCH**

Special Lunch Talk: Everett Hansen. Update on web blight and red needle cast of Douglas-fir.

**110-400PM.** SNCC Business Meeting. Members and Invited Parties.
